

Hello SDASFAA,

I hope your March is about to go out like a lamb. Don't tell anyone I said this but spring might actually be around the corner – the robins have been back in force.

### 2017 Spring Conference Wrap Up

- Thank you to everyone who attended the conference and to Micah and the Conference Committee for doing a great job! The SAP NASFAA Credentialing session was an experiment that worked very well; Joe Massman answered a long list of audience questions, particularly with his Assorted Topics session; we had the much-appreciated support of our vendors (Bank of North Dakota, Great Lakes, SLFC, and Wells Fargo); and the snow didn't cause toooooo much trouble.
- Surveys – if you haven't had a chance, please take time to share your thoughts:
  - <https://www.surveymonkey.com/s/Massman> – help us support Joe's ability to travel to our future conferences.
  - <https://www.surveymonkey.com/r/FHJ9SF5> – let the Conference Committee know what worked and what could be better.
- Financial Aid's Finest!
