HAPPY HOLIDAYS!

In the true spirit of sappy holiday tropes, I thought I would list what I am thankful for this year:

First, I am thankful for Zoom and for the opportunities it has given us to stay connected this year. My first ever Zoom meeting was this past March for our winter board meeting. I did not even guess at the time that I would be holding all of our board meetings in 2020 over Zoom.

Second, I am thankful for my fellow board members who have served during this crazy year. We had some tough decisions to make and adjustments to implement and I was always able to count on them for honest feedback and support.

Finally, I am so thankful for all of you! My year as SDASFAA president was certainly nothing like I expected it to be. But through it all, SDASFAA members were unfailingly supportive and ready to help other members in whatever was needed. Over and over this year, I was so thankful to be part of such a group! You are all the best! ~ *Carissa Koerner, 2020 SDASFAA President*
